Suggested if you are looking for:

- A gelato that does not contain animal derivatives but still performs like a traditional one.
- An innovative vegan product suitable for consumers with food intolerances as well.
- Showing consumers your engagement towards sustainability, quality, and ethics.
- A plant-based gelato with a balanced and milky-like taste.
- Perfect for making a “white” base that can be flavored in multiple ways.
(For fat-based pastes, use Base Pure Vegan P.Z.).
