Flavour profile

Pairings

Recipes

Three citrus fruits together to deliver an exciting aromatic balance. The sour notes and the clean and fresh taste of lemon are sweetened and flavoured by the semi-candied lime zest which unlocks all its flavours creating a clear and pleasant colour contrast. Bergamot, with its variations of bitter, green, floral and fruity flavours, enriches the taste conferring balance and aromatic complexity. Persistent aromas, flavours, taste and enhanced freshness can then be enjoyed.

FLAVOUR PROFILE

Bergamot

Lemon

Lime

The flavour profile describes the taste of a product and includes all the specific flavours and aromas that together deliver a given taste.
