The Alphonso variety is considered one of the best mango cultivars for its sweetness and richness of flavour. It is one of the most prized varieties and is mostly cultivated in the western regions of India. Its complex flavour profiles enable exciting pairings and matches. Suitable for gelato, sorbets, cremolata, semifreddos, but also creams, mousses, Bavarois creams and desserts in general.

FLAVOUR PROFILE

Mango
Alphonso

The flavour profile describes the taste of a product and includes all the specific flavours and aromas that together deliver a given taste.
