Flavour profile

Pairings

Recipes

A product with an incredible aromatic complexity. The sweet, fruity and tropical flavours of mango perfectly match the aroma and citric notes of the yuzu and the fruity and citric flavour of the passion fruit. The aromatic balance recalls the exotic and oriental atmospheres. An exclusive combination where the flavour of the Italian semi-candied lemon is recalled.

FLAVOUR PROFILE

The flavour profile describes the taste of a product and includes all the specific flavours and aromas that together deliver a given taste.
