Pistacchio

Flavour profile | Pairings | Recipes

A perfect balance of flavours achieved using pistachios harvested only when fully ripped and then roasted to obtain a deep but still balanced aroma. Deep roasted and nutty flavours are balanced by its major vegetable side, which boasts slightly bitter notes contrasting the sweetness of the honey. The specific fruity background, with a strong hints of dehydrated sweet fruit, makes it suitable for pairing with fruits.

FLAVOUR PROFILE

Pistachio

The flavour profile describes the taste of a product and includes all the specific flavours and aromas that together deliver a given taste.
